

BEAUTIFUL AROUCA

The small village of Arouca is a good place to have a quiet holiday. There is a river where you can swim and fish. There are also mountains for hiking and relaxing.

You can walk, see beautiful birds and sheep. In the evening, you can sing songs at the fire place, and stare at the stars. There are good places to do a pic-nic with your family or friends. Help yourself and enjoy the holidays of your life.
