

Before

- ✓ Before the cars people had to walk or ride a horse.
- ✓ Took much time to arrive at destination.

After

- ✓ Now people travel long distances, quickly and they don't tayer(?????)

- ✓ It took too much time to have the pictures developed.
- ✓ Developing pictures was expensive.
- ✓ You couldn't edit the pictures.
- ✓ You could take bad quality pictures without knowing it.

- ✓ After taking the picture you can see and use them immediately.
- ✓ No developing.
- ✓ You can delete the bad quality pictures.

- ✓ Traveling long distances took too much time.
- ✓ Goods were transported by train and boat.
- ✓ Traveling was expensive.

- ✓ Traveling long time distances takes a few hours.
- ✓ Goods are transported by planes.
- ✓ Low cost companies have made prices even cheaper.

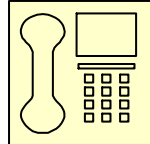

- ✓ You needed candles which were not comfortable and safe.
- ✓ Limited use - only for lighting.

- ✓ Electricity made life much more comfortable and safe.
- ✓ Generalised use- for almost everything.

Condom

- ✓ No condoms- lots of kids and sexual diseases.
- ✓ No real freedom in sexual relations.
- ✓

- ✓ With condoms- safe sex, without worrying about unwanted kids or diseases.
- ✓ Much more freedom in sexual relations.

- ✓ You called someone using the phone house.
- ✓ Letters and postal cards were used to communicate.

- ✓ You can call everybody anywhere and whenever you want.
- ✓ You also can play games, text messages, access the net.
